

Brimacombe Racing Code of Conduct 2020-2021 Season

As a member of Brimacombe Racing, racers are expected to:

- Be a team player.
- Be respectful of opposing race teams by demonstrating good sportsmanship in times of victory or defeat.
- Treat all skiers, coaches, managers and league officials with courtesy and respect.
- Accept the decisions of the officials, coaches, managers and of the division.
- Respect the sport, participate fairly and follow all rules and regulations.
- Show up for training and races on time, with proper equipment and prepared to do the best that he/she can during the races and at training sessions.
- Participate in all training sessions and races under the direction of their coach, and follow the instructions of their coach at all times.
- During all training sessions and races, refrain from the use of electronic devices including texting/social media. The available time to train and race is limited, and the racer will need to focus their attention on the task at hand.
- Notify their coach or team manager if they will not be able to attend training or races as soon as practicable.
- Support all rules and regulations of Brimacombe Racing. Remember you are a reflection of Brimacombe Ski Club and Brimacombe Racing while travelling.
- Have fun.

As a Parent/Guardian of a Brimacombe Racer, I am expected to:

- Place the well-being of my child before a personal desire to win.
- Encourage good sportsmanship by demonstrating positive support for all racers, coaches, fans and officials at training and practices.
- Encourage my child to play by the rules and respect the rights of other participants, coaches, fans and officials.
- Advocate a sports environment for my child that is free of drugs, tobacco, alcohol and abusive language, and refrain from their use during youth sporting events.
- Help my child show up to practice and races on time, with proper equipment, and ready to participate.
- Not to embarrass my child by yelling at racers, coaches, or officials.
- Show a positive attitude toward the sport and all of its participants.
- Respect the direction provided by the coaching staff and not interfere by shadowing the team or providing additional commentary.
- Emphasize participation and skill development and how they benefit athletes. Show less emphasis toward competition and winning at all cost, especially in the lower age groups.
- Know the rules of the sport, and support the coaches, managers and officials in their decisions.
- Applaud a good effort in victory, and in defeat. Feel at ease to communicate with your child's coach and/or manager.

- Not contact AOA/SOD with questions, concerns or complaints but to communicate with Brimacombe Racing officials, who will address the concerns if deemed appropriate.
- Notify the registrar and team manager of any change in email addresses or contact information during the season.
- Volunteer.

Further:

- If you are not satisfied with either your or your child's experience you may file a complaint with the team manager, or head coach. If necessary, they will then bring the complaint through the proper channels, potentially to the board of directors, where the appropriate action will be taken.
- When visiting other clubs for races, only one non-racer per family, who is a current member of Brimacombe Ski Club, will be permitted to participate in any "lift ticket pool".

Communication:

- In an effort to improve communications, racers, parents, coaches, and managers are asked to monitor their email and TeamSnap on a daily basis, to stay informed about changes in schedules and other information involving the teams and division. In the event that a last minute change takes place, the managers and/or coach will communicate through email and TeamSnap. However, it is still the racers' and parents' responsibility to be aware of the schedule.
- The coaches are in charge of the team and of the racers on the team. They make all of the decisions concerning the team and the racers on the team.
